The screenshot displays the Gasware PRODUCTION system interface. At the top, the Gasware logo is on the left, and the user 'demo' is logged in on the right. A navigation menu includes HOME, CUSTOMERS (selected), PRODUCTS, SUPPLIERS, CONTRACTS, TASKS, and LOCATIONS. Below the menu is a search bar with the text 'SEARCH', an input field for the search term, a dropdown menu set to '10', and 'Go' and 'Reset' buttons. The main content area is titled 'CUSTOMERS' and features a 'Create' button. It contains a table with the following columns: Action, CUSTOMER ID, FIRST NAME, LAST NAME, COMPANY, EMAIL, DATE OF BIRTH, and TYPE. Each row in the table has an 'Edit' button in the Action column.
